

Lunenburg Waterfront Marina Visitor's Guide

Welcome to Lunenburg's Historic and Picturesque Waterfront

This working waterfront is home to tall ships, schooners, dories and fishing vessels on the beautiful South Shore. Our floating docks provide free daytime berthing, as available. We also offer overnight and long-term berthing options.

This brochure is designed to give you an overview of Lunenburg's marina services, as well as ways to enjoy and explore the town and its waterfront. **We hope you enjoy this port of call.**

Waterfront Development

Waterfront Development is a provincial crown corporation developing the strategic potential of waterfronts in Bedford, Dartmouth, Halifax and Lunenburg. It's our job to foster the creation of waterfronts that drive economic opportunity, enhance tourism, provide experiences, and reflect and protect our marine heritage.
