Community Update

Along with our partners at [Build Nova Scotia](#), the Cape Breton Partnership is happy to announce that [FBM](#) has been chosen as the lead proponent of the Detailed Design Services for the [Louisbourg Visitor Experience Enhancement](#) Strategy with support from [CBCL \(Sydney\)](#) and [Brackish](#). FBM will now work with community and partners to bring the earlier vision for the project to life through detailed design.

new Parks Canada visitor arrival centre within the heart of Louisbourg’s downtown. With construction anticipated to begin in 2023, the project will attract more visitors to the fortress and waterfront, encourage economic activity within the town, and support the community that calls Louisbourg home, year-round.

The Louisbourg Visitor Experience Enhancement Strategy is led by the [Cape Breton Partnership](#) with project management provided by [Build Nova Scotia](#). Partners include [Cape Breton Regional Municipality](#), [Parks Canada](#), [Louisbourg Seafoods](#), [Atlantic Canada Opportunities Agency](#), and [Cape Breton Centre for Crafts and Design](#).
