The Opportunity

Build Nova Scotia is seeking a potential operator for a kiosk in the Salt Yard small business district on the Halifax Waterfront. Situated along the iconic Halifax Waterfront between Salter and Sackville Street, the area attracts millions of visitors annually, including residents, cruise ship passengers, and tourists, making it one of the most vibrant public spaces in the region.

Build Nova Scotia is seeking operators who are excited about being part of an energetic waterfront community and who can deliver a high-quality, engaging experience that reflects the spirit of Nova Scotia. Ideal applicants may include local artisans, specialty food vendors, boutique retailers, experiential offerings, or other creative entrepreneurs looking to grow their brand in a highly visible environment.

Proposals must be emailed to BuildNS.BDO@novascotia.ca no later than **2:00 p.m. Atlantic Time on Monday, June 29, 2026**. Email subject lines are to read **“BNS(BDO)-2627-001”**. Late submissions will not be accepted.

Description of the Site

The kiosk for this Business Development Opportunity is an existing wood-frame structure measuring approximately 250 square feet. It has a standard entrance door on the north-facing side and a storefront service window with a service counter on the east-facing front.

The interior includes painted plywood walls and vinyl flooring. The kiosk is supplied with a single-phase, 100-amp electrical service, including an existing electrical distribution panel and internal wiring. It is also connected to a ½-inch water line and a greywater service that is pumped into the municipal sewer system.

Although the kiosk is currently used for food and beverage services, the space could be reconfigured to allow customers to enter through the side door, making it suitable for a retail shopping experience or other service-based use.

Desired Outcomes

Build Nova Scotia's objective through this Business Development Opportunity (BDO) is to establish a strong, collaborative partnership with the successful operator to ensure the Salt Yard kiosk enhances and does not duplicate the existing mix of businesses along the Halifax Waterfront. The goal is to thoughtfully curate offerings that complement neighbouring tenants while strengthening the overall vibrancy, diversity, and authenticity of the district.

Salt Yard has been envisioned as a platform to celebrate Nova Scotia's entrepreneurial spirit and cultural richness. Through this opportunity, Build Nova Scotia aims to showcase the very best of what the province has to offer, creating an experience that resonates with both locals and the millions of visitors who come to Halifax each year.

Build Nova Scotia's goal is to maintain and enhance the Halifax Waterfront as a year-round destination with an attractive, welcoming, and safe environment for everyone. The successful operator will demonstrate how their concept strengthens the overall tenant mix, adds distinct value to the Salt Yard district, and contributes to an authentic, high-quality waterfront experience.

Operators are encouraged to place a strong emphasis on one or more of these important categories:

- **Local culture** – Concepts that reflect Nova Scotia's heritage, cultural diversity, and or artistic community.
- **Local cuisine** – Food and beverage offerings that highlight local ingredients, farm-to-table partnerships, or innovative takes on Maritime favourites.
- **Local experiences** – Interactive or experiential service offerings that invite visitors to engage more deeply with what Nova Scotian has to offer.
- **Local products** – Goods designed, crafted, or produced in Nova Scotia, showcasing local makers, materials, and talent.

The minimum term of the lease agreement for this opportunity is two (2) years, with one (1) year renewal term, commencing on January 1, 2027.

Should none of the proposals received satisfy Build Nova Scotia's BDO requirements, or for any other reason, Build Nova Scotia reserves the right to terminate this BDO without award.

(2.5 points)
- **Social Responsibility.** Social responsibility comes in many forms. Both large and small businesses, regardless of industry, can make a big difference in their communities. Financial Proposal (20% of overall score) – Submissions should include a base monthly license fee and a proposed percentage of gross sales license fee. Base monthly license fees are traditionally due May through October, with May and October being billed at 50% of the regular monthly rate. While base monthly license fees are not normally payable November through April, operators intending to support Build Nova Scotia’s year-round visitation goals are encouraged to propose financial models that deliver best value to our potential partnership.

Potential operators must provide a revenue forecast for the three (3) years of their term.

Please note, there is a minimum base monthly license fee of \$2,500 + HST per month (reduced to \$1,250 + HST in May and October). Potential operators can choose to offer a higher base monthly license fee, but base monthly license fees less than the minimum will not be accepted. A proposed percentage of gross sales must be included in the operator’s financial proposal.

Financial proposals will be evaluated using a comparative scoring model. The proposal with the highest total financial offer will receive the maximum available points. All other proposals will be scored proportionally by dividing their total financial offer by the highest offer and awarding the corresponding percentage of points.

Proposals that do not meet Build Nova Scotia’s outcome and deliverable requirements and or expectations will not be considered. Proponents who do not meet a minimum threshold of 65% will not be considered.

BDO Contact

At any time throughout the BDO process until the execution of a written agreement, a Proponent may withdraw a submitted proposal. To withdraw a proposal, a notice of withdrawal must be sent electronically to the BDO Contact by an authorized representative of the Proponent. Build Nova Scotia is under no obligation to return withdrawn proposals.

Selection Criteria

BDOs will be assessed by a minimum of two evaluators using the BDO Selection Criteria listed within the call. Further selection criteria may be developed and may be added as an Addendum. Proponents should ensure their submissions contain proposals which provide all the information requested in the required BDO. Failure to do so may reduce the chances of your response being shortlisted and or selected.

General Information and Instructions

BDO Incorporated into Proposal

All the provisions of the BDO are deemed to be accepted by each Proponent and incorporated into each Proponent's proposal.

Proponents to Follow Instructions

Proponents should structure their proposals in accordance with the instructions in the BDO call. Where information is requested in the BDO, any response made in a proposal should reference the applicable section numbers of the BDO.

Language

All proposals are to be in English, or both English and French. If there is a conflict or inconsistency between the English version and the French version of the proposal, the English version of the proposal shall prevail.

No Incorporation by Reference

The entire content of the Proponent's proposal should be submitted in a fixed form, and the content of websites or other external documents referred to in the Proponent's proposal but not attached will not be considered to form part of its proposal.

References and Past Performance

In the evaluation process, Build Nova Scotia may include information provided by the Proponent's references and may also consider the Proponent's past performance or conduct on previous contracts with Build Nova Scotia.

Information in BDO Only an Estimate

Build Nova Scotia makes no representation, warranty or guarantee as to the accuracy of the information contained in the BDO or issued by way of addenda. Any quantities shown or data contained in the BDO or provided by way of addenda are estimates only and are for the sole purpose of indicating to Proponents the general scale and scope of the opportunity.

Proposal to be retained by Build Nova Scotia

Build Nova Scotia will not return the proposal, or any accompanying documentation submitted by a Proponent.

No Guarantee of Volume of Work or Exclusivity of Contract

Build Nova Scotia makes no guarantee of any future contract or with the successful Proponent.

Business Registration

Proponents may be required to be registered to carry on business in accordance with applicable laws. For information on the business registration requirements of the Nova Scotia Registry of Joint Stock Companies.

The status of a Proponent's business registration does not preclude the submission of a proposal in response to the BDO. A proposal can be accepted for evaluation, regardless of (i) whether the company is registered, or (ii) whether its business registration is in good standing. However, a contract cannot be awarded unless the successful Proponent is registered and in good standing, in accordance with applicable laws.
